Carter Oil
Exploration Test 7
3-26-1940

Dear Mr. Kiess:

On January 28, 1941 we gave you the Carter Oil Company stratigraphic core tests in Kansas, Missouri and Colorado; also a Phillips Petroleum Company test in Kansas, copy of which you in turn sent to Cram.

The Carter Oil Company is now releasing tops on test No. 7 in the SW Corner of 11 - 33 South - 5 East, Cowley County, Kansas; as follows:

Topeka	1150
Oread	1527
Lansing	1832
Stalnaker	1868
Layton	2280
K.C.	2460 (Show dead oil from 2555-60)
Oswego	2690
Cherokee	2796
Bartlesville	2993-95
Mississippi	3075
Total Depth	3135 in Mississippi

Very truly yours,
